*As we gather here together,
Hearts so full of pride
We sing our hymn of praise
To dear old Shelby High.*

*As we go along life's highway,
Memories we'll recall
And in victory or defeat
We'll love thee best of all.*

Chorus:

*Long your banners wave on high,
A symbol proud and true.
We will sing our hymn of praise
Dear Shelby High to you.*

In & About School

Four minutes between periods allows little time for lingering in the halls. However, some of us snatch time for an exchange of words with a chum. By rushing to the cafeteria or snack shop, we store up time for a chat over lunch and a coke.

We, the Senior Class of Shelbyville High School, unreel for you the film portraying the personalities, sports events, small incidents and daily activities which characterized our years in SHS.

Here, then, is your life in the year 1953 at Shelbyville High School

The Main Features

"THE EGG AND I"

In SHS cooking classes, both boys and girls are learning to practice the culinary arts. Future wives of the boys taking cooking will have no trouble when they want a quick meal prepared!!

"PRIVATE SECRETARY"

After leaving commerce classes, many SHS girls will be well prepared for any secretarial opportunities they may encounter.

Are Our Classes

"DOUBLE DYNAMITE"

SHS chemistry classes frequently send various unknown but unpleasant odors through the halls as they are compounding fantastic concoctions.

"THE THING"

Learning about insects and the make-up of microbes and vertebrates is the project of the biology classes.

But We Have Musical

"MAKE MINE MUSIC"

The Latvian Trio, consisting of members of the Indianapolis Symphony Orchestra, were among the groups which presented programs before the assembly during 1952-53. The student body always enjoyed these programs.

"STARS AND STRIPES FOREVER"

These young musicians are learning how to make music at the same time as they master the art of working together.

And Artistic Interludes

Satisfaction comes to shop students in seeing a design come to life under their hands as they fashion a piece of bric-a-brac, and develop skill in the handling of tools and machines.

"MONA LISA"

Students in art classes learn the fundamentals of interior decoration, dress design, lettering and commercial art.

We Chat and Munch

"LET'S TAKE THE LONG WAY HOME"

Students coming to SHS from the country area ride the school buses. The journey to and from school is the scene of much merriment, but also affords an opportunity to catch up on studies and sleep.

If lockers could speak, what romantic tales they could tell! Designed for housing textbooks, they also serve as supports for fond couples pledging eternal affection in languishing glances.

Regular meals never seem to furnish enough nourishment for energy burning teen-agers. Consequently we take on additional fuel at the candy bar operated by Junior girls.

"CLOSE AS PAGES IN A BOOK"

Peace and quiet reign in the library, where students enjoy one of the finest selections of reading material in any school library in Indiana.

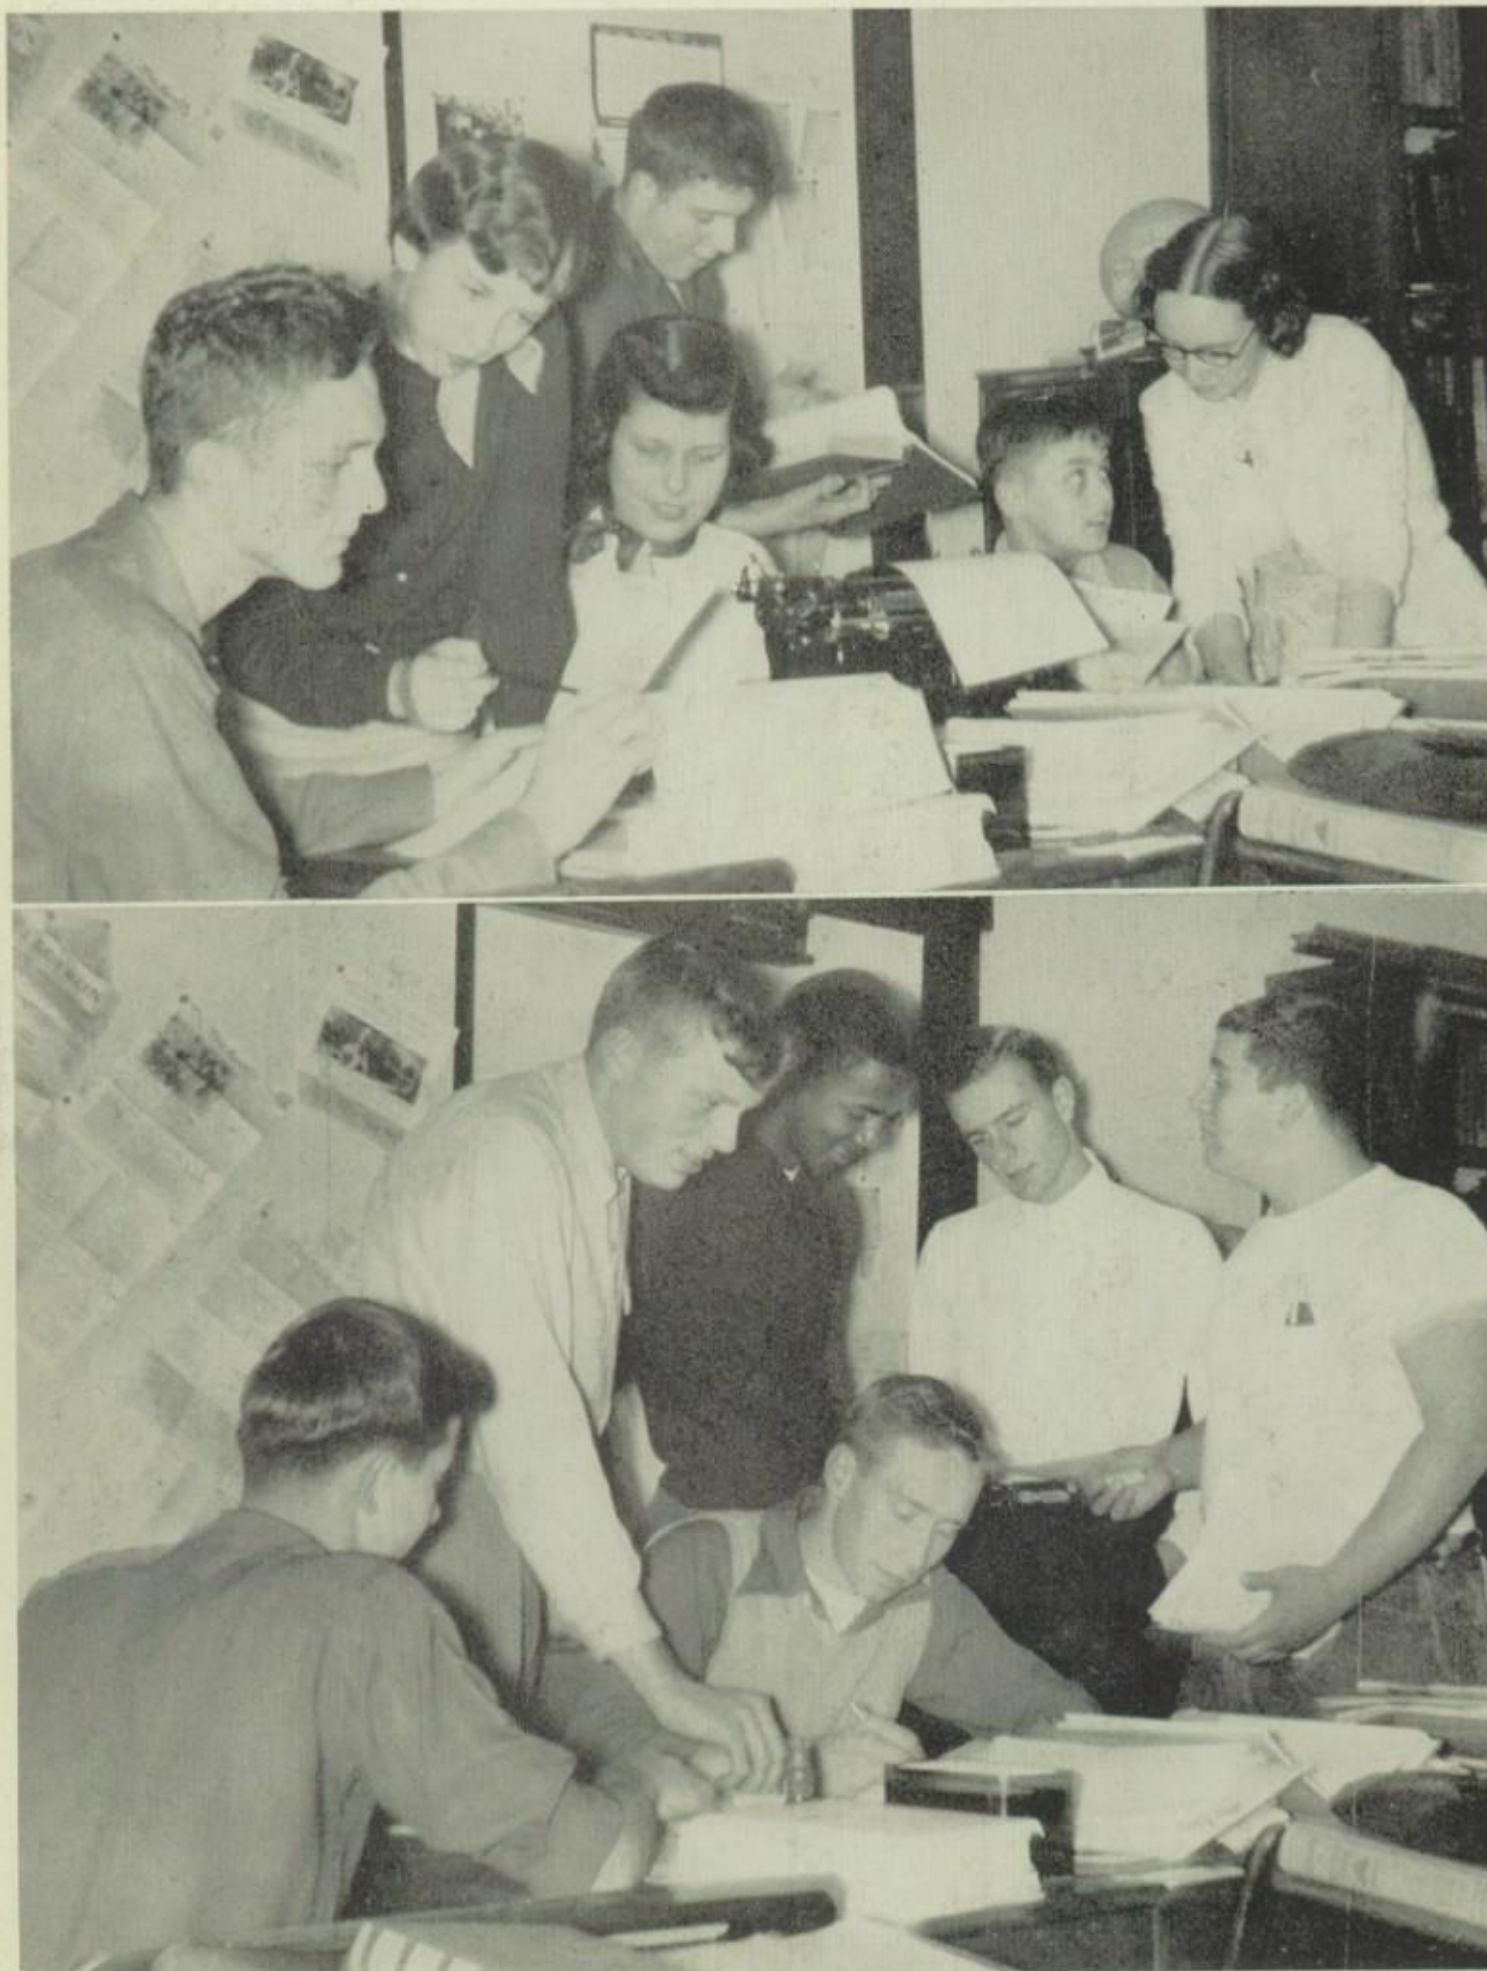

"TEN TALL MEN"

Scenes like this are familiar ones in the corridors as students while away the moments between classes or before school.

Publicity Agents

"HEADLINERS"

"We carry the news to you" is the byword of the Journalism students who gather, write and edit the news of SHS, and distribute the school newspaper, Courier, to you every three weeks.

Maintenance Crew

"WORKING THEIR WAY THROUGH SCHOOL"

Probably the hardest working group in our school is composed of our custodians, whose efforts are spent to keep our halls and rooms clean and tidy. Washing of thousands of window panes and sawing locks off lockers for students who lose or forget locker keys are some of the special jobs custodians perform.

Administration

Mr. Loper
Superintendent

Mr. Parker
President, School Board

Mr. Scofield
Treasurer

Mr. DePrez
Secretary

Found usually behind the camera, directing the policies and planning the future of SHS, the members of our school board seldom appear on our projection screen. However, we are aware that without their wisdom and experience, our film would lack continuity and coherence.

Technicians behind the scenes are responsible for the checking of the many details without which the finished film would be a sketchy, jumpy affair. Keeping the operation of the schools smooth running, without breaks due to technical difficulties, is the job for the control room, or administrative office, where this group is employed.

Tennis & Cross Country

NORM POE

DICK HAYES

Two members of this year's senior class brought new athletic honors to SHS. For the first time, SHS had a champion in the South Central Conference tennis singles, in Norman Poe. Norm is an outstanding all-round athlete, having also won letters on varsity football and basketball teams.

The victory in the cross country run by Dick Hayes marked the first time SHS has entered a team in this event. Dick brought home the win from a scheduled meet at Connersville. He is a three letter man in track, starring also in the mile run.

We have no trophies or Oscars to give these honored students, but we felt they deserved a special section in the 1953 Squib. The spotlights have shone upon them as they were featured in the starring roles, and now their fans and producers sit back and watch them passing in revue in the Picture Story.

The climb to these peaks has not been an easy one. The training they have undergone has not been solely for developing their minds and bodies; much of the hard work has been to develop the character and leadership which make our Shelbyville production center at the top of studios in this state.

Row 3 Charles Bowlby, Bill Barnard, John Soller, Norm Poe, Jerry Higgins.

The academy award for the filmlanders in Our Picture Story is the National Honor Society. Fifteen percent of the highest twenty-five percent of the senior class is voted into Honor Society by the faculty. They are elected not only for scholarship but for leadership, character, and service as well.

National Athletic Scholarship Society

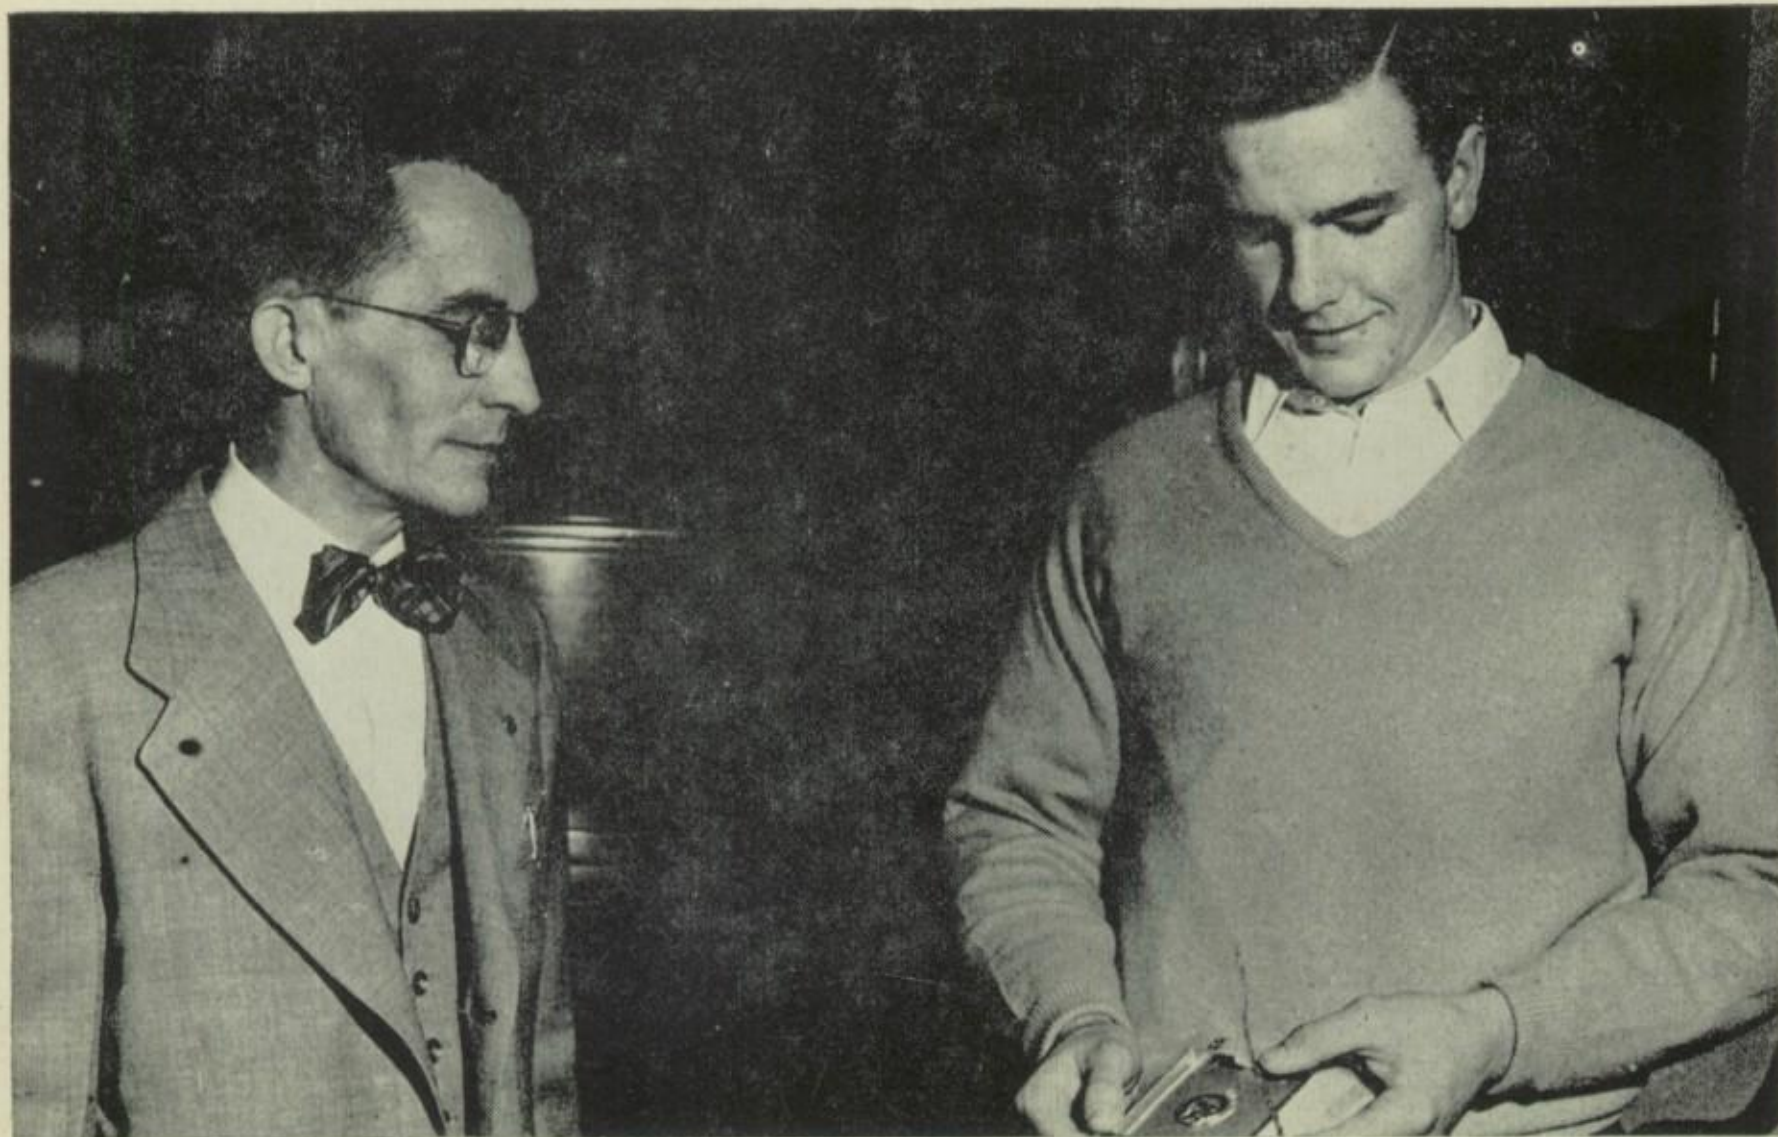

ROW 1 Bill Latshaw, Tom Taylor, Norm Poe, John Kehoe

ROW 2 Bryan Toll, Jerry Higgins, Sandy Sirkus, Bill Kremer

Here is a group of boys to be congratulated for combining mind with muscle in maintaining a scholastic average of 85 or better, as well as earning a varsity letter. This is strictly an honorary group and our hats are off to those who attained membership.

Kiwanis & Paul Cross Awards

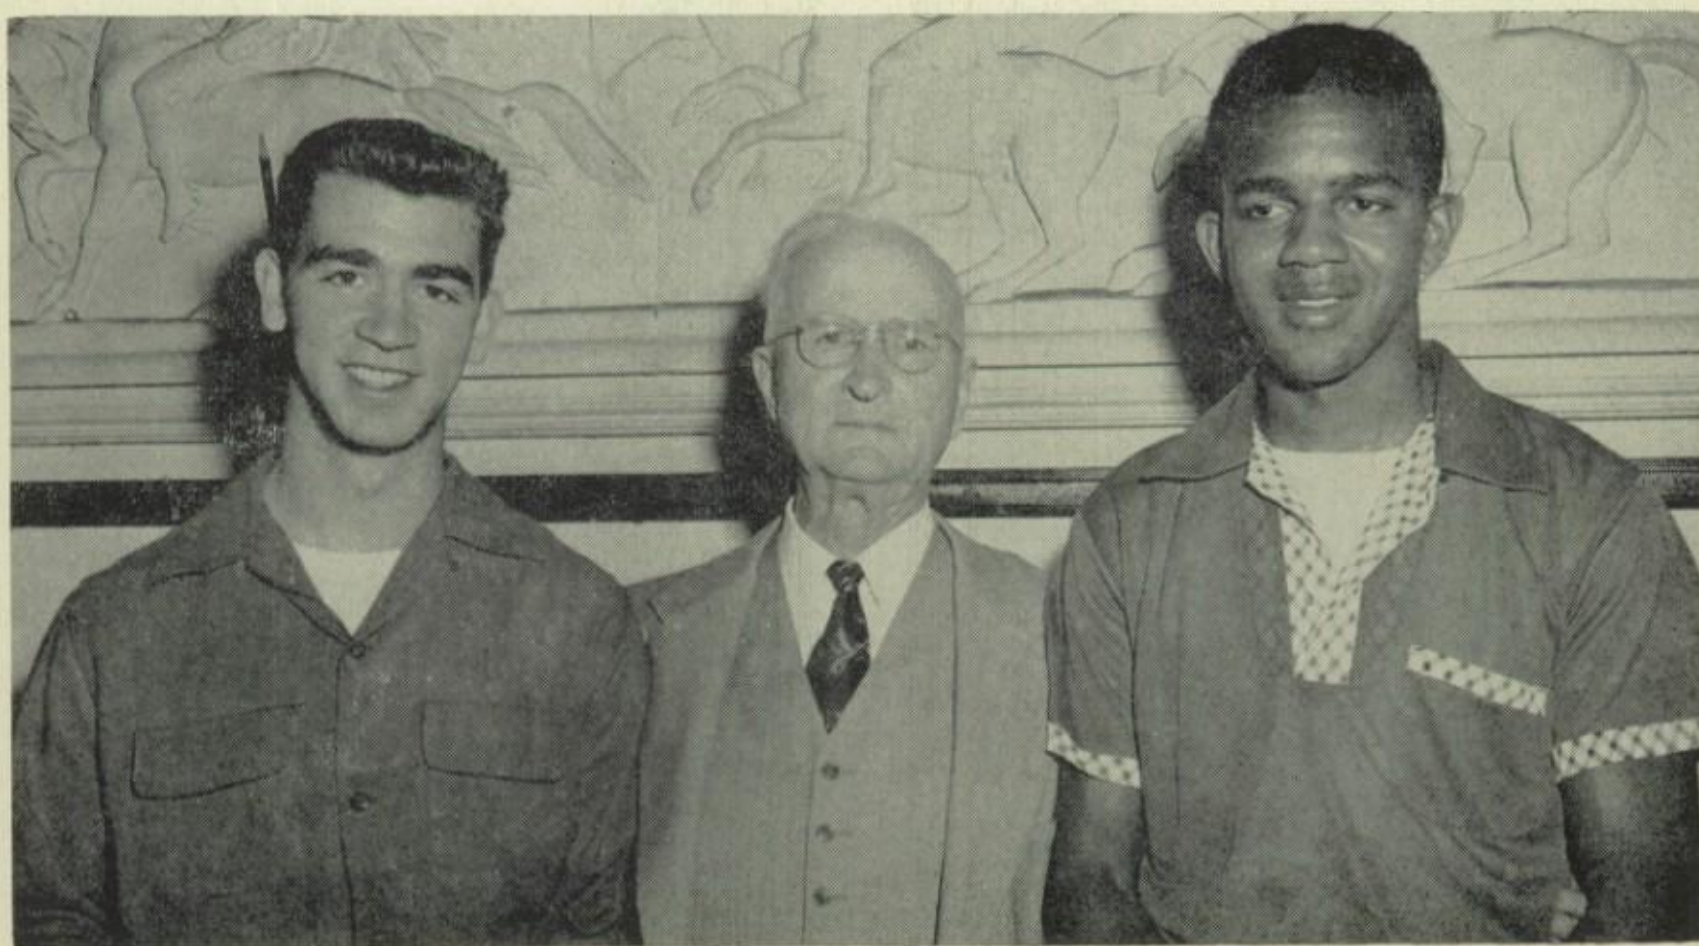

MR. FOWL

JIM PLYMATE

The Kiwanis award was given this year to Jim Plymate, a valuable man in the backfield and outstanding in all of the requirements for the award.

Discipline, sportsmanship, scholarship, cooperation, and playing ability are the qualifications taken into consideration by the committees deciding the winners of the highest athletic honors in Shelbyville High School, the Kiwanis award for football, and the Paul Cross award for basketball.

These characteristics were again displayed on the basketball floor by Ray Phillips and Norm Poe, two players who were highly instrumental in Shelbyville's reaching the Semi-finals.

SPORTS

SPORTS not only spells excitement but also times of joy and times of tears. Nineteen hundred fifty-two and fifty-three has been a wonderful year in sports. The boys who represented SHS were ones of whom any school could be

proud. You can bet Shelbyville was, as they played all year round from tennis, golf, football, through basketball and right up to baseball and track continuing after school is closed.

Varsity & Reserve Football

ROW 1 Paul Henderson, Jim Plymate, Jim Deupree, Larry Porter, "Bumpy" Brown, "Bugs" Klare, Wayland Fowl, George Bennett, Norman Poe, Malcolm Buckley, Maurice Scheffler.

ROW 2 Bill McDonald, Rich Applas, Phil Brown, John Kehoe, Hal O'Dell, Bill Amos, Mick Hinshaw, Jim Law, Jim Spindler, Keith McLeod, Marvin McLane, Bill Hart.

ROW 3 Bill Murray, John Reece, Ronnie Arehart, Monte Hitchcock, Carl Cawood, Kenneth Brown, Steve Brown, Don Schiesz, Ray Ewick, Ernest Conrad, Gary Hutchens, Dave Ramsey.

ROW 4 John Brokaw, Dick Trueb, Dick Moorhead, Bob McNew, Phil McLane, Bernell Richardson, Pat Kehoe, Jerry Porter, Phil Breedlove, Willie Wilson, Buddy Carr.

The Shelbyville Golden Bears had a fair season but with a few breaks could have had a great one. The Bears literally played the Seymour and Aurora teams into the ground, beating them 33 to 7, and the opposing team never threatened. The last game of the season ended in a tie with Greensburg. The Southport game saw our Bears lose by a 13 to 12 score because of their inability to score the extra points.

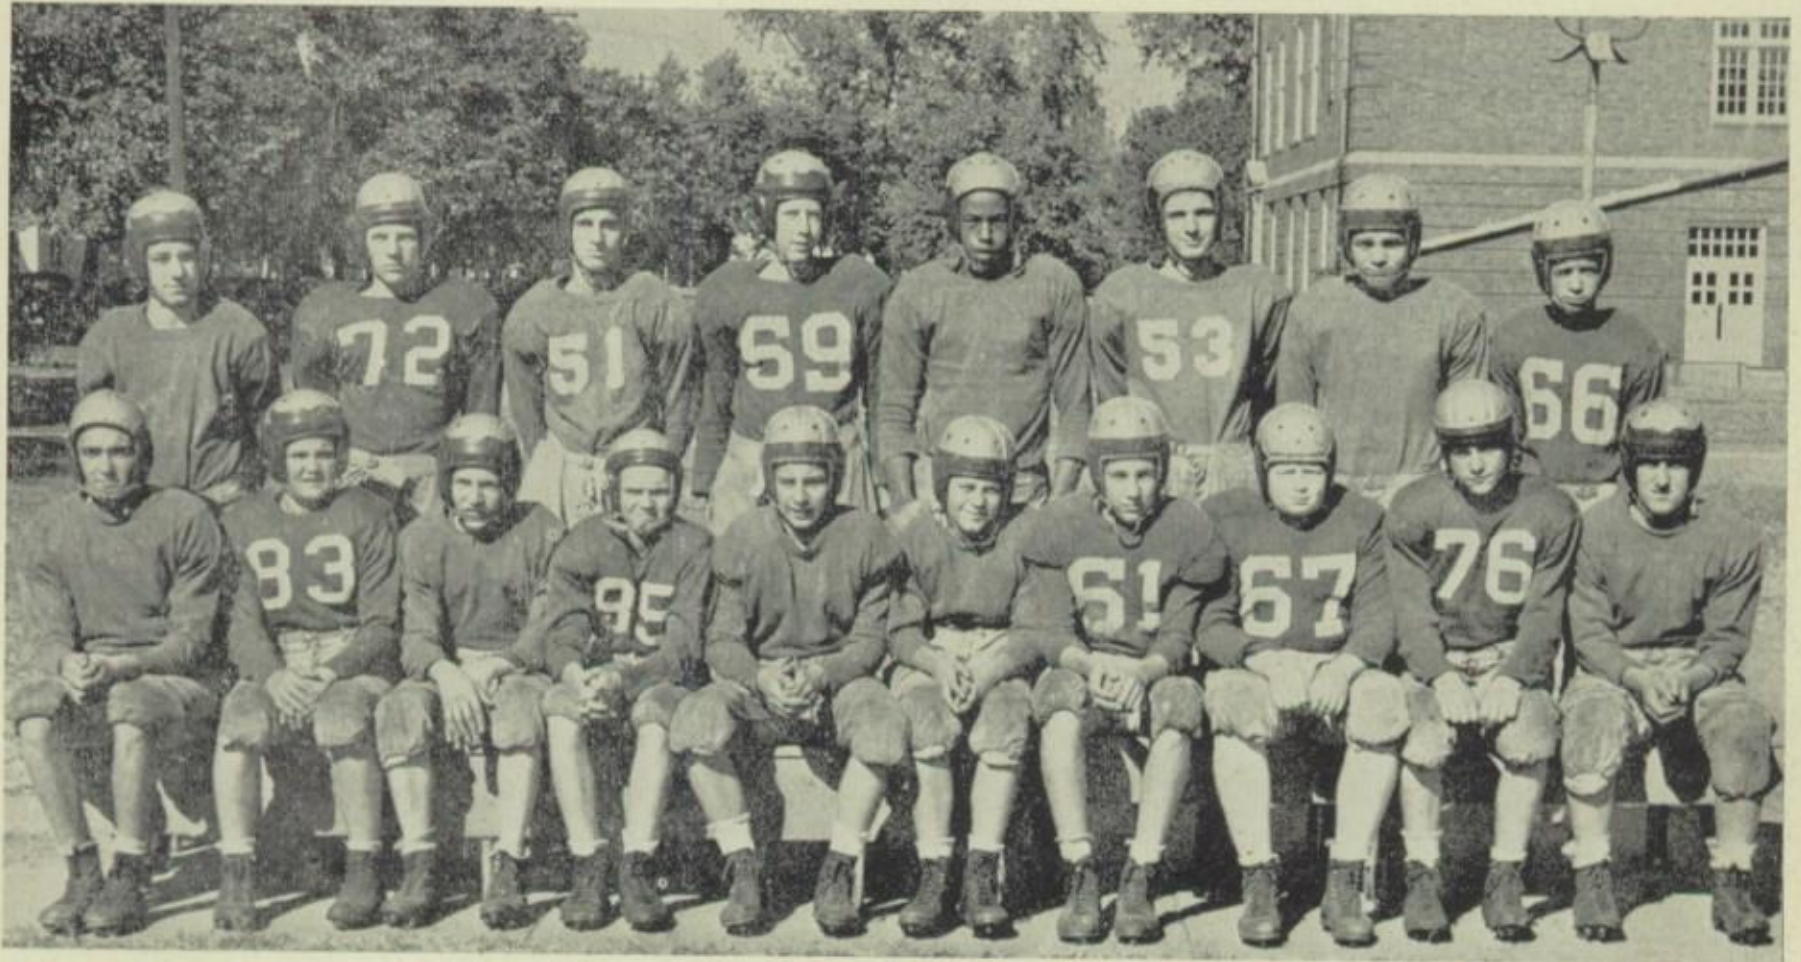

With only six returning lettermen, the '53 Golden Bears won two and tied one of eight games. Jim Plymate, Norman Poe, George Bennett, "Bumpy" Brown, "Bugs" Klare, and Larry Porter were the

lettermen on this year's squad. The backfield consisted of Poe, Plymate, and Klare, seniors, and Ronnie Arehart, a junior. Other backfield men who saw action are Richard Moorhead, John Kehoe, Bob McNew, Ernest Conrad, Jim Deupree and Jim Spindler.

The starting line men were Bennett, Wayland Fowl, Malcolm Buckley, B. Brown, Porter, Paul Henderson, Rich Applas, and Bill Murray. Several juniors and sophomores saw action, including Phil Brown, Phil McLane, Maurice Scheffler, Marvin McLane, Bill Amos, Keith McLeod, and Mick Hinshaw.

Freshman Football

The reserve football team won two of three games. They beat Greensburg and Franklin and lost to Columbus. This team is composed of juniors, sophomores, and freshmen, and from the record it looks as if Shelbyville can look forward to some good football teams.

The freshman team beat Columbus 27-0 and were beaten by Connersville 6-0.

Bears In Action

Varsity Basketball

The Shelbyville Golden Bears finished the season this year by being defeated by Milan in the evening game of the semi-finals of the Indiana State tournament. This made Shelbyville one of the last eight teams in the state.

The Bears had a nineteen won and nine lost season, a remarkable record against some tough competition.

In the close games, Shelbyville came through. They beat Logansport 50-49; Martinsville 49-48; Madison 52-48; Columbus, in the sectional tourney, 55-49; Scottsburg, in the regional, 37-33; and Crispus Attucks, picked by many to win the state, 46-44 in the semi-final.

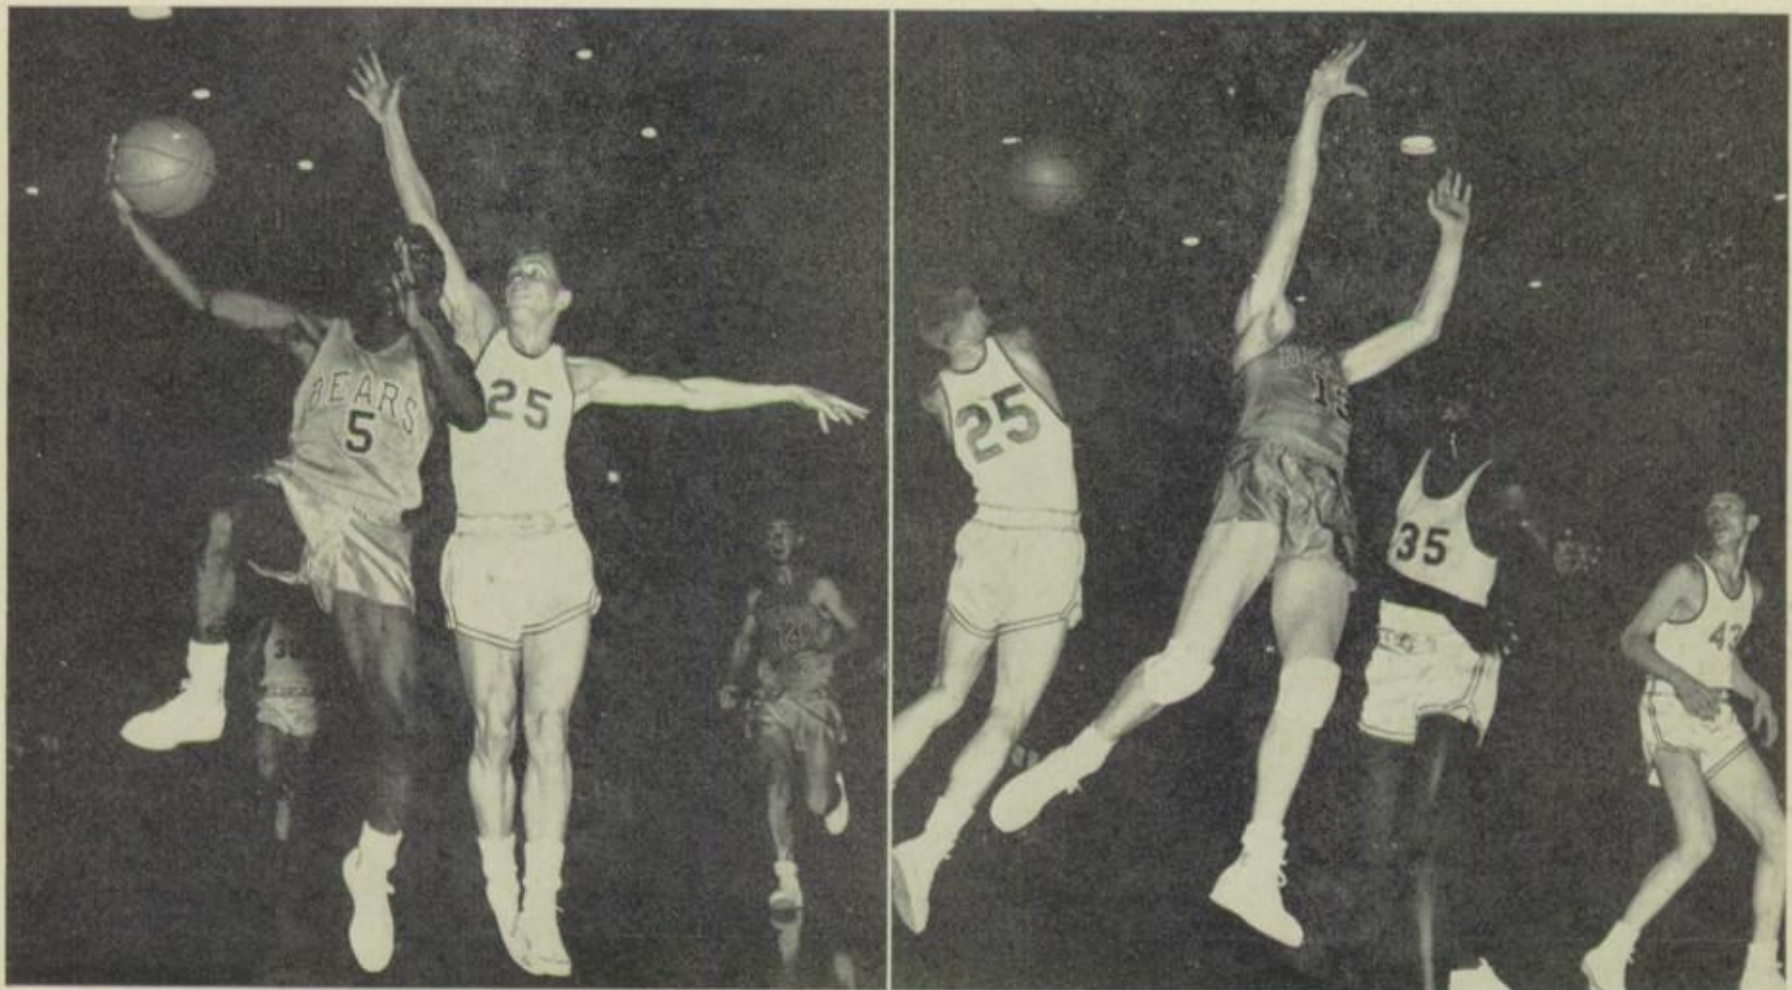

In the last season for Ray Phillips, Jim Plymate, Tom Taylor, Norman Poe, Morris Brown, Larry Porter, Bill Stone, and Bryan Toll, it was a great thrill to have gone that far.

"Beanie" Phillips, Jim Plymate, Tom Taylor, Norman Poe, and Morris Brown composed the starting five at the start of the season, but when Morris Brown became twenty years of age, sophomore Bob McNew stepped in to take his place and did a great job. "Beanie" was the leading scorer, closely followed by Jim Plymate and Tom Taylor. Along with Norman Poe, these four were the rebounders of the team. Morris Brown was on the scoring end of a lot of fast breaks. Bob McNew added height to the team when he took Brown's place.

Willie Wilson, another sophomore; Bill Stone, Larry Porter, and Bryan Toll, all seniors; and Bob Mullen and Frank Phillips, juniors, rounded out the team. Bob Cowherd, a freshman, was placed as alternate on the tourney team but did not see action in a varsity game.

The underclassmen received valuable experience on this team and should develop into a good team for next year.

This '53 Golden Bear team will long be remembered because of its placing among the final eight teams and because of its stunning defeat of Crispus Attucks. Something seemed to happen after Shelbyville beat Attucks in the afternoon game, for that night Milan beat the Bears who didn't resemble the team which won in the afternoon. But in the words of their coach, Frank Barnes, "They are still State Champions to me."

ROW 2 Ken Cord, Student Manager, Bill Means, Marvin McLane, Jim Deupree, Phil McLane, John Page, Coach, Ray Ewick, Charles Olinger, Jim Spindler, Richard Moorhead, Charles Morgan, Manager

Coach John Page's Golden Cubs, consisting entirely of freshmen and sophomores, had a fair season, losing many games by one point. Freshman Don Brown led scoring with 141 points, followed by Bob Cole with 116 and Bob Cowherd with 99. Cowherd played only part of the year with the B team before being advanced to the Varsity to replace Morris Brown.

FRESHMAN TEAM

The SHS freshman basketball team broke even for the '52-'53 season winning five and losing five. Leading scorers were Ronnie Mitchell, 88 points; Cecil Rhodes, 72; Phil Poe, 69; and Joe Crosby, 69.

JUNIOR HIGH TEAM

The Junior High basketball team finished the season with an eleven won and five lost record. Coach Hinshaw is using the league system. From league teams he picks the players to compete in regularly scheduled games with other cities. This system has worked effectively during the past and the prospect for the future years is good.

ROW 3 Ted Stroup, Paul Means, Jim Barnett, Dean Russell, Charles Cole, Ray Jones, Jon Carr, Bill Smith, Manager.

Tennis & Golf

Norman Poe, an outstanding senior athlete, trounced the opposition from Connersville, Greensburg, and Rushville to win the first SCC tennis championship in the history of SHS. The doubles were taken by a strong Greensburg team which had defeated Shelby's Ronnie Mitchell and Bill Mann in the semi-finals. David Clapp was the other singles entry and was beaten in the second round by the boy who was eventually runner-up to Poe. Three alternates making the trip to Connersville were Kenny Ewick, Bill Pope, and Mick Hinshaw.

Kneeling: Ronnie Mitchell, David Clapp, Mick Hinshaw.

Standing: Bill Pope, Ken Ewick, Bill Mann

The Shelbyville golf team finished fifth in the conference golf meet at Martinsville. After the morning nine holes, they were tied for second but could not keep the pace. Tom Taylor was low from Shelbyville, with an 83 and finished in a tie for third in the conference. The other men and their scores were: Jerry Higgins-89, Mac McClain-93, Jim Plymate-98, and Don Smith, playing as the alternate, 91

TRACK

Dick Hayes, Bill Latshaw, and Steve Davis were the big guns for Shelbyville's track team.

Steve Davis won the 440 yard dash in two meets and the conference. Bill Latshaw won the 880 yard dash in one meet and finished second behind Hayes in two meets. He finished fourth in sectional and fifth in conference in the 880 yard run.

The mile relay team won all of the scheduled meets and finished fourth in the conference.

BASEBALL

With only five lettermen returning, S.H.S. diamond men still managed to place seventh in the SCC. This year's team should have the valuable experience and ability to have a good season. Norman Poe and Mark Miles tied in the batting placque race, and Maurice Hart was awarded the Captain's Star.

In any movieland you will find people who have spare time and spend it where their interests lie. Whether they are attracted to the world of athletics, literature, music, or journalism, or whether they merely want to help

others, here they will find people who by combining their efforts advance their interests in these fields. In these clubs everyone learns to further his interest and work together in fellowship.

Letting her light shine and spreading good cheer, almost every girl in high school is a member of Sunshine. A religious initiation is held every fall at a local church when the new girls are brought in. They visit underprivileged people bringing them gifts at Christmas; they sing for the County Home at Christmas; around school they are always at work raising money for some of the school's needs and decorating the classroom doors at Christmas. Much of the light coming from our projection booth is because of the Sunshine these girls spread.

Here are some happy fellows. They not only possess a varsity letter in a major sport, but have a scholastic average of 81 or better. Each year under the capable sponsorship of "Doc" Barnett, the boys have their initiation and "feed" (they don't say how many chickens they eat) and their annual "pep" session before the Sectional.

We all realize how important this club is in injecting a spirit of enthusiasm into the student body.

BOOK CLUB

With Miss Swanson as sponsor, Book Club was started in 1933 by a group of sophomores interested in books. The club meets at a member's home once a month; a short story is given by an underclassman and a book report is given by a senior. The members must maintain a C average and be at least sophomores.

FORUM CLUB

With the threat of Communist oppression, election time rolling around, and the enlargement of the Club to thirty members, there wasn't a dull moment at any Forum meeting. As a pleasant diversion from "deciding the fate of the world", the club had its annual weiner roast in the fall and picnic in the spring.

LIBRARY CLUB

The library club is Mrs. Moore's private bureau of information. These girls busy themselves with finding and replacing books, collecting fees and helping Mrs. Moore prepare new books for our use. Without the help of these girls, the cameras of Shelby High would surely stop rolling.

HOME ECONOMICS

Having been started but three years ago by Miss Bodem and Mrs. Norman, this club has become one of the most active and popular clubs in school. In this club, girls can further their interests in the domestic arts; they have the chance to do a few things they can't do in the classroom.

The twelve girls in Singing Stars have had a busy year. They practiced twice a week during a class period and once after school. To be a Singing Star is purely invitational with the consent of Martin Schulz, director

Some of their appearances were before Rotary Club, Lions Minstrel, Republican Victory Dinner and the Shelbyville Classroom Teacher's Association, the first half of the year.

The second half, they sang at the Music Study Club, Lions Club, Senior High Programs, Sacred Concerts and Kennedy Car Liner, and at the Music contests at Ball State, where they won first place.

THE ORCHESTRA

The first semester, the orchestra rehearsed as a string group from which a string ensemble played many engagements.

The second semester as a full orchestra, they worked for the Orchestra Festival at Martinsville, All State Orchestra Festival, May Festival, and Commencement.

Junior band, part of which is shown above in rehearsal, made its sole public appearance in a joint concert with the senior band in March, at which time Harold Walters, noted composer of high school band numbers, served as guest conductor.

Senior Band

Made up of only senior high students for the first time, the band, under the direction of Fritz Chesser, is improving splendidly. The band played for all football and basketball games, pep-sessions at the school, and furnished ensembles and soloists to many groups in and out of Shelbyville.

This year the band traveled to Bloomington for Band Day at Indiana University, to Rushville for

the Corn Picking Contest, and to Connersville for the Band Festival. Many of the students traveled to Muncie for the Contest.

Outstanding local public appearance of the band was the concert presented March 26 at which Harold Walters, Seymour composer of instrumental music, appeared as guest conductor.

Concessions is the money making department for the Squib. The workers pull cokes, pile through crowds, and rush here and there to replenish supplies; all of this is hard work, especially during

tourneys. Around the Concession stands and behind the bleachers is no place for the third soul to be with our mighty men jerking cokes. We may have been dirty after ball games, but we had a lot of fun.

BUSINESS STAFF

While the editorial staff was worrying about write-ups, the business staff was doing a bang-up job of keeping track of the money, and seeing all you students bought and received your Squibs. Through all these difficulties, "Boots" and "Way" emerged with flying colors.

EDITORIAL STAFF

"The printer has to have some material by Friday," or "You're over your deadline" are some of the cries you might have heard from Editor Slifer had you been around the Squib room. But through much pushing and straining of both time and Miss Chenoweth's patience, here's another "super" edition of the Squib!

Since Courier re-appeared in 1951 after a long period in which SHS did not have a school paper, interest has been increasing in editing and publishing a school newspaper. Journalism students in Miss Chenoweth's class have no snap; they must sell enough subscriptions and advertising to make the paper self-supporting, and then must gather, write, and edit news so interesting that students will continue to support the paper with subscriptions. Frequent Sunday afternoon paste-up sessions acquaint the students with the actual make-up problems of getting a paper together.

Arch Dance

The formation of an arch is a signal for the entrance of the May Queen and her court.

Lord Mayor and Bye

Von Kauth and Jerry Higgins

Although attending SHS for only two years, Von has won many friends by her witty remarks and gay disposition. Making the highest grades of the class, Jerry earned the honor of being Lord Mayor. Jerry has a nice smile, friendly ways, and is well liked by everyone.

May Court

MAY QUEEN

JUDY WORLAND

AND BILL STONE

The steadiest of steady couples on the May Court is Judy and Bill. Judy is known for her dimples, friendly smile, and her work in the office. Bill was a member of this year's basketball team. Looking at these two, you could almost think they were twins, couldn't you?

JOYCE MILLER AND WAYLAND FOWL

Joyce's friendly smile and joking manner is well known throughout SHS. A major in Commerce, Joyce can be seen most frequently in the typing and shorthand room. Way, the Business Manager of this year's Squib, is one of the clowns of SHS. If you ever need cheering up, just be around Way a few minutes and all will be fine again.

May Court

JANET BASS AND JIM PLYMATE

One of the "biggest" couples around school, both in height and popularity, Jim and Janet have had their names linked since they were freshmen. Janet, the highlight of any group with her rollicking ways, still does not outshine Jim, all-around athlete and this year's winner of the Kiwanis football medal.

JANE AND LARRY

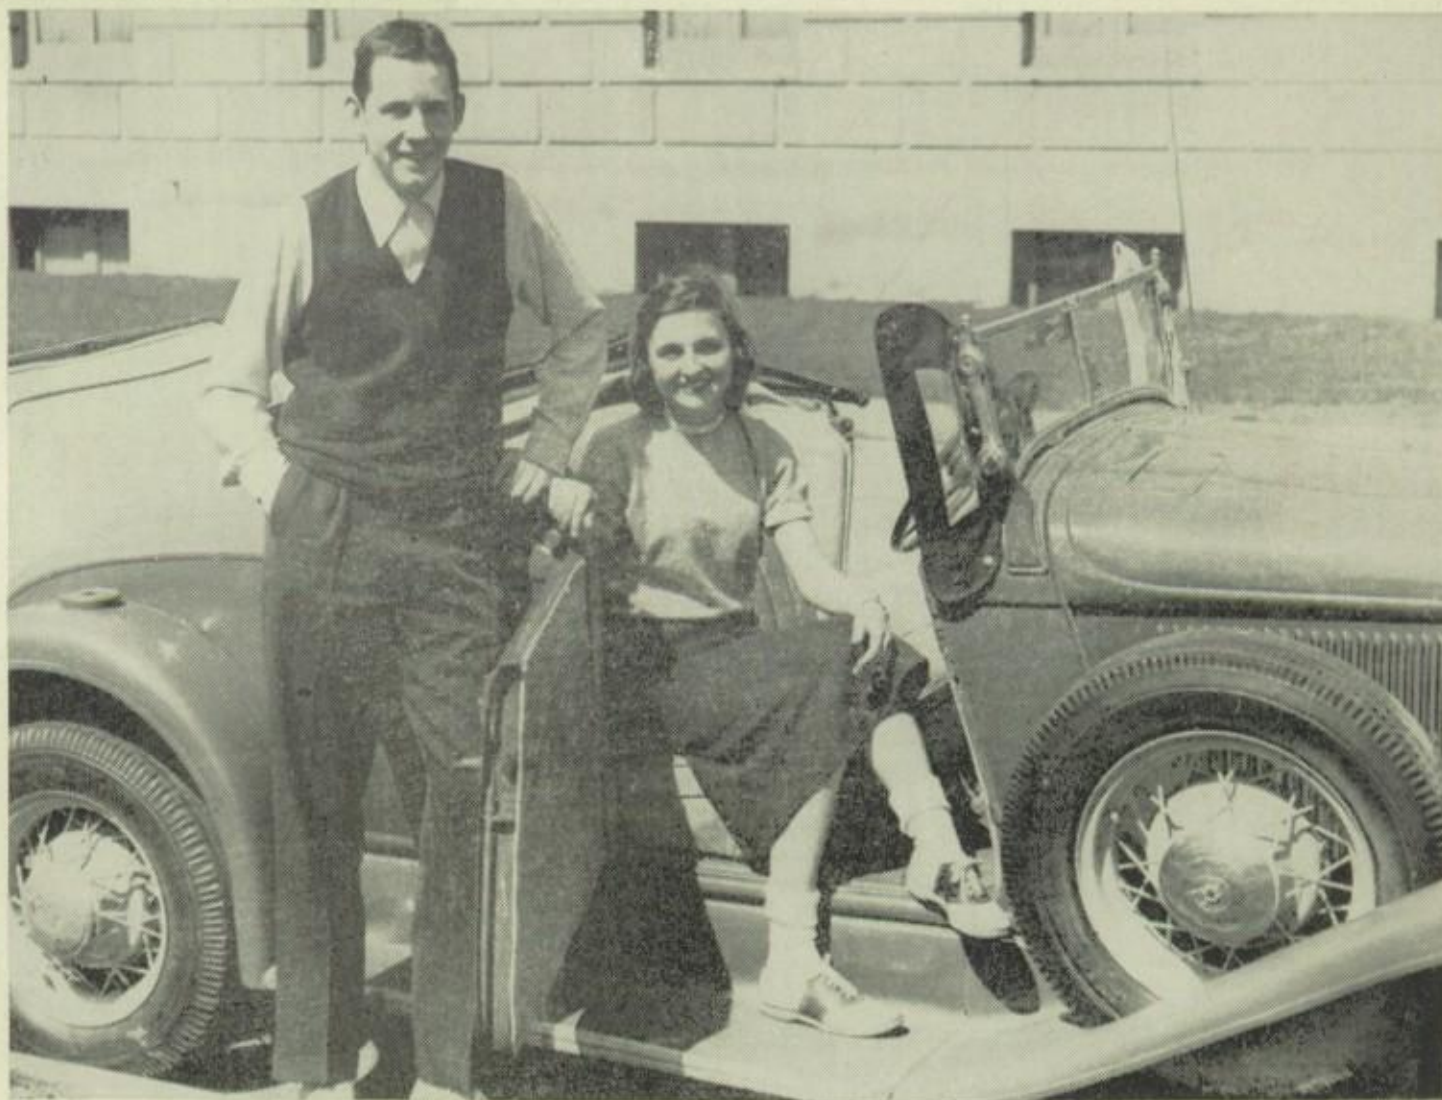

A good disposition and witty ways just seem to be part of Janie. She can be recognized by her low chuckle. Larry is a tenor in the choir and a member of this year's basketball team. Both are short, and blond and make a cute couple for the court.

May Court

JEAN AND NORM

Quiet, (around school) pleasant, and very friendly, Jeanie has a personality that everyone knows and likes. She is a major in Home Ec., and won the D.A.R. sewing award her freshman year. Norm, recognized by his broad grin and friendly manner, was co-winner of the Paul Cross basketball award for 1953.

BARB BRUNNER AND TOM TAYLOR

Active in Forum and other clubs around school, Barb was also chosen secretary of the Senior Class. Her pleasing smile and ability to get things done has made her a favorite among her classmates. Tom may frequently be seen in his red DeSoto convertible, (now that it's summer). Towering above six feet, Tom was a prominent member of this year's basketball team.

Junior Prom

One of the social highlights of our high school course came during our junior year last Spring when we entertained seniors at our Candy Prom. Norm Poe, as junior class president, headed the grand march with Prom Queen, Dannie Wheeler.

Phil Brown, Lois Lemmon, Carolyn Davies, Nancy Taylor, Susan Kolkmeier, Jim Law

Sophomores get their first hint of important events to come by serving refreshments at the Prom.

In Candy Land

Designing and building the set for the Candy Prom was hard work, but we were well rewarded on opening night when we laid out the welcome mat for our senior guests.

Now the Picture Story proudly presents its stars. Coming up the ladder of success is no easy task, but a diploma is a very worth while goal. It takes hard work, but let's don't forget all the good times. There is no greater thrill than to don your cap and gown and join your classmates for your opening night.
